

2025 Special Budget Meeting

We want to hear from you!

Each year, the District develops an annual budget that outlines how tax dollars are invested in the community.

The District is looking at a **minimum tax revenue loss of \$459,000** due to an application of a closure allowance from a Class 4 (Major Industry) property owner. This revenue loss will greatly impact the upcoming budget, so Mayor and Council are inviting residents to be involved in the preliminary budget consultation process prior to entering into budget discussions.

How can you participate?

Anyone who would like to bring forward comments, concepts or ideas related to the 2025 budget will have the opportunity to be heard through the following ways:

Attend Open House

When: Thursday November 7, 2024

Time: 5:30pm-7:00pm

- Short presentation at 5:45pm
